## **CLUB LEAGUE RULES**

All games played are subject to the British version of the Laws for the Game of Bowls and to the variations issued by the Club set out below. These rules are the condition for entry into any of the Club Leagues. The full rules are published in the Club Handbook.

The Club and League Committee wish to make each team member aware of his/her responsibility for paying their rink fees for each game and should not leave any financial penalty on their Team Leader.

Payment of subscriptions is the responsibility of each individual member and must be made before playing any match.

Team Organisers should register sufficient players to enable the team to fulfil their team's commitments. It is recommended that each team has no more than 6 players for pairs, 9 players for triples and 10 players for 4s.

It is the responsibility of both Team Organisers to inform the League Committee and Reception in any case of postponement or rescheduling.

Any queries regarding the published League Schedule must be directed to the League Committee.

### **1 CLUB LEAGUE SCHEDULE**

Applications to enter a Team in a League must be received by the date shown on the entry form and a League schedule will be produced from the entries submitted. There will be a maximum of 10 teams in any one league and be an even number of teams to avoid 'stand down weeks'. The earliest entries will have preference.

### **2 TEAM ORGANISATION AND REGISTRATION**

All Team Organisers must register their players in the appropriate League before that player can play any League game. A player cannot be registered for more than one team in the same League. Additional players may be registered at any time prior to playing. They cannot, however, be registered during the last four weeks preceding the scheduled final game of that League. Infringement of this rule will result in the offending team forfeiting the game.

Payment of rink fees for each game played is the responsibility of the individual team members. These must be paid before any League game can be played by the team of which they are a member.

### **3 RINK FEES FOR LEAGUE GAMES**

Score cards will only be issued on receipt of rink fees.

### **4 DATE CHANGES AND POSTPONEMENTS**

a League games shall be played at a time and date as set out in the published League Schedule or as modified by official rescheduling. Games may be played before the scheduled date by mutual agreement of both Team Organisers.

b If a Team Organiser is unable to field a team the game should be postponed no later than 7.00pm on the day prior. It is the responsibility of the non-defaulting team, in consultation with their opponents, to re-arrange the game to be played within 21 days of the scheduled date. If this is not possible the League Committee will give a date for the game to be played and if either team cannot make that date then they will forfeit the game.

- c Failure to play on this revised date will invoke a penalty of 2 points and 10 shots being awarded to the non-offending team provided they pay their rink fees for that game.

## 5 **START AND FINISH OF CLUB LEAGUE GAME**

- a Duration of League Games is 1 hour 55 minutes. There will be no trial ends.

If a team is unable to start on time a penalty is applicable as follows

Delay of 5 minutes 1 shot 3 shots in Yardstick and Clyno matches

Delay of 10 minutes 2 shots 5 shots in Yardstick and Clyno matches

Delay of 15 minutes 3 shots 8 shots in Yardstick and Clyno matches

If there is a delay in starting it can be mutually agreed to play for 1 hour 55 minutes provided there is sufficient time and subject to rink availability and no penalty shots will be applied.

If there is a delay of 20 minutes the game is forfeited but rink fees are still due. Failure by any team to turn up for a game without a reasonable excuse will result in the game being awarded to the non-offending team as long as their rink fees are paid. The non-offending team will then be awarded 2 points and 10 shots. Whether the excuse is reasonable or not is a matter for the League Committee.

- b In all League games the skip may visit the head on the last end after the buzzer has sounded. The last end is deemed to have started when the mat has been placed and the jack has been delivered. On the last end if the jack is in motion when the buzzer sounds and the jack is not legal, the opposing skip shall put the jack on the 'T' and place the mat at their discretion.

## 6 **INCOMPLETE TEAMS**

- a **FOURS** - A single player being absent from one or both teams the game will proceed as follows. The team with three players shall play as follows- the lead and two will play 3 woods each and the skip will play 2 woods. They will, however, lose one third of their total score or that score achieved up to the point when the fourth player arrives.

- b **TRIPLES** – If only two players are available for one team the game shall be played with the non-offending team – Team A – having 3 woods each and the offending team – Team B – having 4 woods each. Team A will always bowl the first wood regardless of who won the previous end. The team winning the previous end will place the mat and deliver the jack. After Team B lead has bowled his 4<sup>th</sup> and last wood the 2 players in Team B must change places before the Team A 2<sup>nd</sup> player bowls his second wood. The end then continues as normal with the Team A 3<sup>rd</sup> player always bowling the last wood. If the third member of Team B arrives the format reverts to standard triples ie 3 woods each. In the case of Handicap Triples the missing player's handicap is included.

In the event of a player from each team being unavailable the match will be played as pairs.

- c If any player from any team has to leave during the game as the result of any emergency or illness then the format will revert to that described in 6b above.

## 7 **YARDSTICK**

In order to ensure the game retains its original intention of being a purely drawing game the jack will be delivered and placed on the centre line on the nearest 'Spot' or on the 'Tee'. Should the jack in the course of play be moved by one or more deliveries by more than 1 yard it will be replaced as near as possible to its original 'spot' position but not nearer to the 'Tee'. One extra point to be awarded to the team which has 'shot wood' at each end, still within one yard.

## 8 **SINGLES**

A singles match will consist of 21 ends or 1 hour 55 minutes whichever occurs first. Each player will bowl 4 woods per end. Two jacks are required for each rink.

The jack is placed on the 'T' for the first end and the winner of the coin toss shall then choose where to place the mat – with the 23m minimum length rule being applied. At the completion of each end the second jack will be placed directly in front of the mat and this will be the position of the jack for the following end. The winner of the previous end will then choose where to place the mat for the following end, again with the 23m minimum length being applied.

**9 POINTS AWARDED**

League Games - 2 points for a win. 1 point for a draw

If teams are level at the end of the season then the 'shot difference' will apply. If still level 'total shots for' will apply. If still level then 'ends won' will apply.

**10 PROMOTION AND RELEGATION**

In League games with more than one Division the bottom team of Division 1 shall be relegated and the winning team of Division 2 shall be promoted. An application for any exceptions to this rule must be made in writing to the League Committee.

**11 CONCEDED GAMES**

Games cannot be conceded during the last four weeks prior to the last scheduled match of that league if the outcome affects Promotion, Relegation, Winners or Runners-Up.

League winners and runners-up shall not receive their award unless they have made every attempt to play all scheduled games.

**12 RE-SPOTTING – INDOOR LEAGUES ONLY**

Whenever the Jack goes out of play either side of the rink, the Jack shall be placed on the spot near to the tee, on the side that the Jack went out of play. (The Jack in the ditch remains in the ditch as it is still in play)

**13 ABANDONED GAMES**

Where a match has to be abandoned due to circumstances beyond the control of the players then the match will be re-arranged. If, however, the teams have completed 10 ends or played for 1 hour and 30 minutes or more, then the final score will be the score at the time the match was abandoned.

**14 DISPUTES**

The League Committee must be informed in writing within 7 days of the dispute arising. The League Committee will deal with the matter within 14 days of receipt of the written notice and their decision will be final.
