

Photography & Media Consent Notice

Taunton Deane Bowls Club occasionally takes photographs and videos to celebrate Club activities, promote bowls locally, and share updates with members.

This notice explains how we use images and how you can manage your preferences.

1. Purpose of Photography and Media

We may use photographs or short video clips for:

- Club website content
- Social media posts
- Printed materials (e.g., posters, newsletters)
- Match reports or event summaries
- Bowls England or local league submissions (where appropriate).

We always aim to use images respectfully and appropriately.

2. Consent

For adults, we rely on **legitimate interests** to use photographs that are taken during Club activities, unless you tell us you prefer not to be included.

For juniors (under 18), **explicit written consent** from a parent or guardian is required before any image is used.

3. Your Choices

You can:

- Ask not to be photographed
- Request that a specific image be removed from our website or social media
- Withdraw consent for future use at any time (for juniors, this must be done by a parent/guardian).

We will always respect your wishes.

4. How Images Are Stored

Images may be stored securely by Club officials responsible for communications. We do not sell or share images for commercial use.
